### OBAMA SAYS AHMADINEJAD'S SPEECH WAS "OFFENSIVE" AND "HATEFUL"

Iranian President Mahmoud Ahmadinejad, before the UN assembly on Sept. 23, said that most people believe the US Government was behind the 9-11 attack. Obama responded the next day, saying his statement was *"offensive and hateful."* Never mind that it was true.

The West rejects out of hand anything Ahmadinejad says. But, they all heard it ... and we know that they know. Everyone knows that Oswald did not kill Kennedy. Everyone knows there is no shortage of oil.

Everyone knows that Timothy McVeigh's little fertilizer bomb wasn't what brought down the Murrah Building in Oklahoma City in 1995. They also know that in 1993 the FBI planned that first bombing of the World Trade Towers. They even cooked the bomb ... it was caught on tape.

Everyone knows that the Federal Reserve is a criminal organization and it is destroying America's economy. They know that the banking industry caused the economy to crash. They know that bankers are profiting from the government's bailout programs while the common people are losing their homes, cars and businesses.

Everyone knows the annual flu scare is a lie ... but the people continue to line up for flu shots every year.

Everyone knows that voting does no good.

Everyone knows these things ... yet the official lies still stand ... and things continue the same. How can this be? How can a nation support a government and a news industry when everyone knows that they only lie to us?

This question seems basic ... yet history shows that nations routinely support their rulers even though their rulers openly plot against them. It is a sickness called patriotism.

Power corrupts. And power is what governments are all about. Government and American media publish crude and outlandish lies, and Americans accept them. They are "official" lies. America runs on official lies ... and the liars have gotten by with it ... so far. But that could change.

On the 23rd of September, Iran's president, Mahmoud Ahmadinejad, addressed the UN and stated that most

people believe that the US Government was behind the 9-11 attacks on the WTC. Immediately, the U.S., British, and European Union delegates (US lackeys) stood up and walked out in feigned protest. Nonetheless, it got said ... and everyone knew it was true.

But then, what has truth to do with politics and news?

*"Elements within the U.S. Government orchestrated the attack. The majority of the American people as well as other nations and politicians agree with this view,"* Ahmadinejad declared.

He also said that the U.S.'s response to the attacks was the firing up of a propaganda machine aimed at convincing the world to back the wars that followed after 9/11.

*"We were all saddened for the 3,000 lives lost on 9-11,"* said Ahmadinejad, adding *"since then hundreds of thousands of people have been killed in Afghanistan and Iraq."*

To sit by complacently and refuse to decry the acts of a government that is murdering people and destroying nations, including its own, is to classify yourself among those who deserve what they are getting.

*"Be not deceived. God is not mocked. Whatsoever a man sows, that shall he also reap."* (Gal. 6:7)

### SCAPEGOATING AND FEAR MONGERING

TV and Newspapers regularly run articles that are aimed at firing up hatred for Muslims ... not unlike the war propaganda against Germans, Japanese, Italians, Russians and Vietnamese in past decades.

On Friday, January 8th, 2010 the Jew Ed Koch, former mayor of New York City, told Neil Cavuto on FOX News that *"hundreds of millions"* of Muslims are terrorists.

*“We’re afraid of calling them Muslim, Islamist terrorists. We’ll call them anything but. Because we don’t want to alienate Muslim countries. That’s ridiculous. Of course the vast majority of Muslims — there are a billion, four hundred million — are not terrorists, but there are hundreds of millions who are. They want to kill every Christian, every Jew, every Hindu who won’t convert. And we ought to put it on the table.”*

Host Neil Cavuto did not attempt to correct or even question Koch’s claim.

I expect this kind of rhetoric from the Jewish brain-washed and dominated news media, but it seems that Americans in general have taken up the Jews’ battle cry: **KILL THE RAGHEADS!**

Yeah, I get emails daily from “good republican patriots” who are just beside themselves because Muslims are praying in the streets of New York City; or Muslims want to build a mosque near where the WTC used to stand; or because there’s not enough support for US soldiers “doing their job” (which is to kill Muslims).

Politicians love to incite hatred toward other nations ... perhaps because it diverts blame from the politicians (where it belongs). When Bush was in office there was even a wave of hate mongering against France because they were reluctant to back Bush’s war in Iraq. The Republicans even wanted to ban the term “french fries” and rename them “freedom fries.” It was vital to “national security.”

As I say, I expect this kind of stupidity from the prostituted news media and the rotten politicians. But what really gets my goat is that Americans are letting themselves be brainwashed by these liars, and they are taking up the drive to blame the wrong people.

Call it what you may, “prejudice,” “stupidity,” or “patriotism” ... a lie is a lie, and we ought not fall for it or repeat it.

The so-called “Christian Right” seems to be either incredibly stupid, or a propaganda arm for the Republicans. In past years they’ve blamed America’s woes on various ethnic groups. They’ve pointed their fingers at Blacks and Mexicans. Now they are pointing at Muslims.

Is it Blacks’, Mexicans’, and Muslims’ fault that the “founding fathers” installed a criminal system of government over America? Did Blacks, Mexicans and Muslims create the US Military, the corrupt court system, the Federal Reserve System, the IRS? Did they knock down the World Trade Towers and then cover up the crime through the government and the news media? Next they’ll be blaming them for “global warming.”

Now just to keep the record straight, I’m not overly fond of the idea of living with Blacks, Mexican nationals or Muslims. I don’t hate them ... I just don’t normally relate to them. But hey, I REALLY dislike living with the Beast System and those who support it ... most of whom are of the same ethnic group that I happen to be of.

Worse than being stupid, it is just plain dishonest to blame Muslims for America’s woes. Take for instance Iran. FOX News, all its loyal listeners, and most so-called “conservatives” in America are just dumber than hammered

mud when it comes to accusing Iran of war mongering. Iran has not invaded other nations and killed hundreds of thousands like the US, Britain, Israel and European nations are doing. Iran does not have hundreds of nuclear weapons like all those nations have. Iran is not threatening to invade smaller nations that don’t agree with her ... like all those other nations do. Iran has dodged the current multinational banking crisis unlike all those other nations. And one more thing. Usury is forbidden in Iran.

Iran just wants to be left alone. What’s wrong with that?

Yes, there is a growing contingency of Muslims in America. Is that a problem? Well, it isn’t what I would prefer. But I don’t prefer living with Beast worshippers either.

Do Americans ask for God’s help? No, not really. Oh yes, Americans do ask for a god’s help ... but not the God of the Bible. Most praying Americans are praying to the false gods of Mithraism, Judaism and Zoroastrianism ... and the idiotic god of US Government. When they pray to false gods what do they expect?

And when you stop honoring the true God and his Son Jesus, what’s to stop strange people with their strange gods and strange ways from moving in on you? Do you expect the true God to prevent it?

The truth is, America was taken over by strangers with strange gods a long time ago. It happened in the mid 1700’s ... and America became home to the Beast System. In light of this, why should the true God of the Bible protect the American beast system from ... well, from ANYTHING?

So, if you don’t like to see Muslims building a Mosque in New York City, I ask you ... why shouldn’t they? Are you worried that Manhattan might be corrupted by Muslims? Surely you don’t think that New York City is a Christian city? Or that Muslims were responsible for the 9-11 WTC attack? What about the scores of pagan temples to Jews, Hindus, Buddhists, Freemasons, Rosicrucians, Native Indians, Zoroastrians, Catholics, Protestants, etc.? What is there about New York City that isn’t already offensive to God? Muslims praying in New York City streets means NOTHING! If you want to be offended by something, try Jew profiteer Larry Silverstein owner of the World Trade Center. Try NYC mayor Ed Koch (Jew), mentioned earlier; or cross-dresser/transvestite Rudy Giuliani, mayor on 9-11-2001. How about Wall Street – the world center of financial evil; or the New York Fed ... head of the Federal Reserve System. Do you really think that a few Muslims praying or building a Mosque is more odious to God than New York City itself?

*“And why do you look at the chaff that is in your brother’s eye, but consider not the beam that is in your own eye?”*

–Mtt. 7:3

Oh yes, one more thing. Republicans and their mentally stunted followers are having a fit because there is a “Muslim in the White House.” Their sensibilities are simply devastated to think that an actual Muslim could disgrace the office of the Presidency. My oh my! How could such an unholy thing happen in America’s sacred capital?

Sorry ... I’m just trying to make a point with humor.

The truth is, I don't for one moment believe Obama is a Muslim ... anymore than I believe that George Bush is a Christian. For one thing, a Muslim wouldn't immerse himself in usury banking. Obama is a POLITICIAN ... and that's all he is. He believes in the power and glory of GOVERNMENT. To call him a Muslim is to insult the Muslim religion.

But, just for the sake of argument, let us pretend that Obama is a Muslim. So what? Would the White House be disgraced by a Muslim? That's the same White House where George Bush invited his homosexual-for-hire call boy Jeff Gannon on many occasions. That's the same White House where child sex slaves were brought in from orphanages around Omaha for the "entertainment" of the Reagan/Bush White House and their party friends.

Don't take my word for it. Research it yourself. Read John DeCamp's book, THE FRANKLIN COVER-UP; or type <[illuminati-news.com/0/franklin.htm](http://illuminati-news.com/0/franklin.htm)> into your web browser and see for yourself. This is no secret.

While you are at it, read Cathy Obrien's book, TRANCE FORMATION OF AMERICA ... or type "Trance Formation Of America" into your search engine and see for yourself. Be forewarned, the reading is rough language. Americans might be shocked to know the kind of men who have graced those "hallowed halls."

That's the same White House where Clinton did his "thing" in the "Oral Office" with his aids and other friends. That's the same White House where international crime and wars-for-profit are planned weekly if not daily.

Oh yeah! Let's all get mad cause there might be a Muslim in those sacred rooms. Are you kidding?

It is obscene and ludicrous ... Americans are so off course and insane that simple reason is beyond their reach.

## THE RECESSION IS OVER ACCORDING TO FINANCIAL EXPERTS

Bloomberg News reported that **"the recession may have ended last month."** That's great! Oh, wait ... that article was published May 12, 2009. Hmmm.

Alright, here's the article I was looking for in DailyFinance: **"America's most quoted economist, Mark Zandi, chief economist at Moody's Analytics says: 'The Great Recession is over.' Zandi made the pronounce-**

**ment on CBS News over the weekend."** Oops! That article is dated Feb. 1, 2010. What's going on here?

OK! This is the real deal ... from Associated Press dated Sept. 20, 2010 — **"The recession ended more than a year ago. The panel that determines the timing of recessions concluded Monday that this one ended in June 2009, and lasted 18 months."**

There. Feel better now? What would we do without the trusted experts to give us the real truth?

We might as well laugh ... otherwise the joke is on us for listening to "the experts." These trusted "experts" don't seem to know what causes inflation ... or a depression. Maybe that's why they never saw the crashes coming, including the one we are currently experiencing. They parrot the wisdom of Wall Street which is always based in deception to take advantage of the common people.

We're being told that the American economy is "in a recovery." We are also being told it is a "jobless recovery" (whatever that is). According to accurate statistics, unemployment is over 20% (more in some states). By comparison, unemployment during the "Great Depression" of the 30's was 25% ... not much different. Bush's and Obama's bailouts and "Stimulus Plans" haven't turned it around. But then I don't think they were supposed to. Rather, they were meant to give false hope and feign good intentions.

Meanwhile, the big bankers are getting bigger and more powerful, and the common man is seeing his assets and his future evaporate. This, I believe, was their agenda all along.

*"Life is tough! But it's tougher if you're stupid."*

— John Wayne

If nothing else good has come from the past few years, a few people ought to be getting their eyes opened to the liberating truth: namely, that they better not count on help from the Beast System.

It is an illusion to suppose that Uncle Sam is there for our benefit. Uncle Sam couldn't care less about our well-being. He only cares about himself and his partners in crime ... while he laughs at those who stupidly trust him.

## THE WAY I SEE IT

7. *For the mystery of lawlessness now works within: only he who resists now will stand out from among them.*

8. *And then shall the lawless be revealed, whom the Lord shall destroy with the spirit of his mouth, and shall remove by revealing their presence:*

9. *Whose presence is according to the inner working of the adversary in all power and signs and lying predictions,*

10. *And with all deceivableness of unrighteousness in them that are lost; because they are not accepting the love of the truth to be saved.*

11. *And for this cause God shall send them strong delusion,*

that they should believe a lie:

12. *That they all might be judged who are not believing the truth, but are choosing injustice.*

2 Thess. 2:7-11

God is exposing the lawless by sending them strong delusions ... causing them to err and be revealed to those who are not blinded from listening to false prophets.

The fact is, America typically doesn't like the prophets God sends her. Like Israel of old, she hates them and kills them. Americans have blinded themselves to truth. They have listened to the wrong prophets. They've learned how to profit from their neighbors' misfortunes ... and how to build monuments to lawlessness, and lie to themselves.

Look at America's monuments to lawlessness. They are everywhere. Look at the Constitution and the government it created. It is the most revered idol in America ... a monument to man's ingenious circumvention of God. But Americans love it and pledge their allegiance to it.

Take a look at Capitol Hill in Washington DC. There you can see huge monuments, some reaching to the sky, built to honor lies and the deification of man.

Look at America's gigantic medical industry and drug companies ... conspiring with insurance companies. Instead of healing they poison people and kill babies. These monuments to profit are built on the backs of sick people.

America has erected grand stadiums ... monuments to the gods of sports and the profits they bring.

She's built Masonic monuments to occult paganism.

She's erected huge military complexes with multi-billion-dollar weapons (planes, submarines, aircraft carriers, satellites, etc.) ... monuments to the gods of war.

She's built Wall Street and the international Federal Reserve System ... monuments to the gods of Capitalism, usury and plunder.

She's built Hollywood ... a monument to the gods of entertainment (mind control), revelry and debauchery.

And then there are the monuments to the gods of religion ... the great and grand churches and cathedrals built to honor the false religions that have plagued Israel from her beginning ... the same religions that rejected and murdered Christ.

America has listened to the wrong prophets, and those prophets have led her to destruction and degradation. So she is reaping what she has sown. Now Americans are feeling it where it hurts ... in their pocketbooks.

Get used to it. There is nothing on the government's agenda to help you and me. And this will not change as long as Americans worship the Beast System.

1. *...the people gathered themselves together to Aaron, and said to him, Up, make us gods, which shall go before us;*

2. *And Aaron said to them, Break off the golden earrings, which are in the ears of your wives, of your sons, and of your daughters, and bring them to me.*

3. *And all the people brake off the golden earrings which were in their ears, and brought them to Aaron.*

4. *And he received them at their hand, and fashioned it with a graving tool, after he had made it a molten calf: and they said, These are your gods, O Israel, which brought you up out of the land of Egypt.*

5. *And when Aaron saw it, he built an altar before it; and Aaron made proclamation, and said, To morrow is a feast to Yahweh.*

6. *And they rose up early on the morrow, and offered burnt offerings, and brought peace offerings; and the people sat down to eat and to drink, and rose up to play.*

7. *And Yahweh said to Moses, Go, get you down (from the mountain); for your people, which you brought out of the land of Egypt, have corrupted themselves:*

Exodus 32 1-7

Americans have sought out the wrong prophets! The "lawlessness that works within" the hearts of fallen Americans is attracted to the greedy ways of the Beast ... the one that claims to be a lamb, but speaks with the voice of a dragon (Rev. 13:11). This Beast does "great wonders." It "makes fire come down from heaven" (vs.13). It "deceives them that dwell upon the earth" (vs. 14). It "kills those who do not worship its image" (vs. 15). And no man can buy or sell unless he carries the number of the Beast (vs. 17-18).

Sound familiar? This is the Beast that drives America ... and is destroying her. It is the Beast that draws Americans to the voting booths every two years to participate in the sin of idolatry, and in the government's cruel deceptions.

#### WHAT CAN WE DO?

We can SEPARATE ourselves (our hearts and minds) from the ways of man's government. We can look to Jesus instead of to the Beast. By emulating the ways of God we divorce ourselves from the Beast System.

We are spiritual strangers in this land ... as was Jesus who sojourned in Jerusalem but was not of Jerusalem. That system was not his, nor is the United States' system ours.

We are not of this system. Our King is Jesus. We belong to Him. The ways of the bankers, politicians, generals and patriots are not our ways. Those people are the Beast System. God tells us to SEPARATE OURSELVES from them and be "holy" ("holy" = "separate") unto Him.

17. *Wherefore come out from among them, and be you separate, says the Lord, and touch not the unclean thing; and I will receive you,*

2 Cor. 6:17

13. *If I shut up heaven that there be no rain, or if I command the locusts to devour the land, or if I send pestilence among my people;*

14. *If my people, which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will heal their land.*

2 Chron. 7:13-14
