

*"For the time is come that judgment must begin at the house of God: and if it first begin at us, what shall the end be of them that obey not the gospel of God?"
- 1 Peter 4:17*

JUDGEMENT

AMERICANS UNDER JUDGEMENT

People today are often heard asking "What has happened to this country?" They are noticing that something is bad wrong. Something is changing and it isn't good. Stress and hopelessness are replacing contentment and security. The happy days are gone, and instead the nation is embroiled in lies. People have a general feeling of uneasiness. Wars are constantly waged by the US Government on helpless lands. Police and military treat US citizens as if we are all criminals. Godly values are being lost, children are unruly and raised with a "me first" attitude. Families are falling apart with divorce rates higher than ever. Mothers are murdering their babies in the womb.

Social media has replaced actual friendship and communication between real people. People are sick and dying from drug abuse. Homeless people are living on the streets. The top 1% of Americans own and control almost all of the wealth and business while 80% of the people are unable to come up with enough cash to repair their cars. Little kids are told in schools and by society in general that they cannot tell whether they are male or female.

Sadly, people in general have no real concept of God or God's law - and furthermore they have no interest in it.

I could go on and list scores of problems that are tearing American society apart. The list goes on, like fake news propaganda programming the minds of Americans, new incurable diseases, and 21 out of every 100 Americans are unemployed (the official government statistics are lies).

America is in decline. There's simply no other way to define it. Just stand back and take an objective look. You'll see that former friendly nations have become fearful of America. They are backing away, realizing that it is dangerous to associate with the US Government. We are losing our international friends. Nations are distancing themselves from the West and aligning with the East.

This is happening as foretold in Bible prophecy.

Yes, something very bad is happening to America and Americans, and in one way or another nearly everyone is

aware that something is wrong. If your eyes are opened by Christ you can see it clearly and it is alarming.

What is happening to Americans? I grew up in the 1950s. I've seen big changes in our society over the past 60 years. Happiness and security have been lost, and instead we have ignorance, loss of common sense, fear, and growing hopelessness. We live with constant lies from the establishment, especially from government. American children no longer receive decent educations, and almost everyone works for the government or government-controlled corporations. Almost no one owns and controls his own industry or business.

Everything and everyone is enslaved to the Beast System, and that system monitors and programs them like a herd of cattle. America is certainly not a nation of the people, by the people, and for the people. Instead, it is a system that enslaves and uses the people for the benefit of a the government and a few super rich families who own and control everything.

Those top 1% are criminals legalized by a criminal government. They hate or ignore Jesus and plunder the world. They hate and ignore truth and decency, and have no interest in hearing anything about God and his laws. They believe that God is a myth, and his laws are nothing by old traditions that don't work. The only thing that gets their attention is how to increase their wealth and power by taking advantage of other people - usually through promoting wars and by taxing, plundering, and deceiving the people.

This was described by Jeremiah:

30. *A horrible thing is committed in the land;*

31. *The prophets prophesy falsehood, and the priests subjugate by their means; and my people love to have it so: and what will you do in the end thereof?*

Jeremiah 5:30-31

WHAT HAS HAPPENED TO US?

A very large part of the problem is that churches have deceived us. People with good intentions go to church and hear ignorant preachers telling government's lies. They have replaced the ministry of Jesus with doctrine of heathens. Churches (all of them) are heathen institutions that claim to be Biblical. But the Bible never, not once, speaks of a church. And certainly it never speaks of Jesus organizing a church. Churches, like public schools, attract naive people like flies are attracted to rotting carcasses. The churches are NOT Christian, although they claim to be. I have published numerous writings about this, available on my website (www.benwilliamslibrary.com) explaining how government controlled churches have usurped the true ministry of Christ. These heathen establishments have hijacked Americans and programmed them so they cannot hear the truth, replacing the real Jesus with a phoney one. At the same time these churches have done away with God's teachings and his law. They have blinded the people so they are unable to find truth. The churches have perverted the teachings of the Bible, covered truth with a dark cloud, and in essence inoculated the people so that they cannot identify truth even when it is in their faces.

Ignorance of God's laws and blindness to the Kingship of Jesus are destroying American society by creating every evil Americans are seeing and experiencing today. It is God's judgment upon a rebellious and wayward people.

3. *For there will be a time when they will not endure sound teaching; but after their own lusts, having itching ears, they shall heap to themselves teachers,*

4. *And they will turn away their hearing from the truth, but will be turned aside to fables.*

2 Timothy 4:3-4

Paul's description tells us what is happening in America, and why Americans are suffering. The American people have opted to follow the Beast System, and it is ruining them. God is not recognized as Lawmaker in America. So we are in a lot of trouble.

JUDGMENT DAY

Historically, most Americans were raised to at least believe in the Bible - whether they obeyed it or not. Even those who were poorly educated. Their view of right and wrong was based on Bible teachings. But in order for the Beast System to gain total control of Americans it needed a way to distract and confuse people from Bible principles. For that purpose the Beast System instituted churches.

Churches were first instituted in Rome by Constantine. The mother Roman church became Catholicism, and later scores of Protestant churches were born. Churches belonged to the Beast System, and taught the masses that God wanted them to obey the Beast System. Instead of Bible truths the churches plied the masses with Paganism - but they called it "Christianity." But it wasn't Christianity. It was, and still is, Roman. The Bible came from God, but churches, including Protestant churches, came from Rome.

One of Rome's heathen teachings is that God's judg-

ment is dormant today. They say it is scheduled for a time in the distant future to be enacted on a "Great Judgment Day." They also teach that God has left the world in the grip of an "evil angel" they call Satan. According to church teachings, for reasons no one can really explain, they teach that God's plan is to let Satan ruin people everywhere by making them sin - and not until that "last day" will God finally step in and do something.

They call it "The Great Judgment Day." They say that everyone will finally have to face God and answer for their sins on "Judgment Day." In the mean time the evil people of the world are left to run amok while God stands aside. Until that time, wicked people enjoy all the riches, luxuries, and fun under the authority of Satan. God allows Satan and the wicked to defy Him and get away with it. Meanwhile those people who love and obey God are left to suffer under the ravages of the wicked.

Then finally, they tell us, on "the last day," God will open his books. Then on that "last great day" God will step in and judgment will come. All things will be put right, finally.

Churchgoers are told that the wicked today are living the high life and enjoying the good things of God's creation. God is ignoring all the wrongs today. And the saints will not be saved or rewarded until the so-called "end of the world."

SO THEY SAY

The above statement, or something quite similar, is approximately what is taught in the churches and what most folks believe. But what does the Bible actually say about judgment? Consider Hebrews (and please notice the translation):

14. *For strong meat is for the mature, even those who by practice have their senses trained for discernment of both good and bad.*

1. *Therefore acknowledging the beginnings of the word of Christ, we should carry on to maturity; not reverting back to a new [i.e., different] beginning of repentance from dead works, and of faith in God,*

2. *Of the teaching of baptisms, and of laying on of hands, or the [new birth] raising of the dead, and of judgment of the age.*

Hebrews 5:14 - 6:2

Paul tells us that all these basic things, including God's judgment of the age, were well established earlier.

Also, 2 Peter 2:

1. *But also false prophets emerge among the people, and there will be false teachers among you, who secretly will introduce heresies of destruction, denying the Lord (Jesus) who buys them, bringing upon themselves swift destruction.*

2. *And many will be following their wantonness through whom the way of truth will be blasphemed.*

3. *And through greed with feigned words they will exploit*

you: for whom the judgment of old is not idle, and their destruction is not slumbering.

4. *For if God spares not the messengers that sin [see Hebrews 3:7-19], but He confines them to a troubling darkness and delivers to judgment; [referring to Numbers 16:23-35].*
5. *And spares not the former system, but watches over Noah the eighth person, a herald of righteousness, He [God] brings in the cataclysm to the system of the ungodly;*
6. *And reduces the cities of Sodom and Gomorrah to catastrophe, He judges as an example of what is about to happen to those having determined to live ungodly;*
7. *And just Lot, being oppressed under the ways of the uninhibited in wantonness of behavior:*
8. *For through seeing and hearing, the just man [Lot] residing among them, was being tormented day after day with their lawless deeds;*
9. *The Lord knew the devout to deliver them out of temptation, but the unjust ones into the day of judgment being punished [destroying the city].*
10. *But mostly those walking after the flesh in the lust of defilement, and blaspheming lordship. Bold are they, selfwilled, unafraid to blaspheme honorable ones.*
11. *Whereas messengers, being greater in force and power, bring not against them [the honorable ones] a blasphemous accusation before the Lord.*
12. *But these [the ungodly], having been born as natural unreasoning animals, made to be taken into bondage and corruption, blaspheming in things of which they are ignorant; in their corrupting they also will be corrupted;*
13. *Being wronged as the wage of unrighteousness, being led by pleasure in daytime. Stains they are and disgraces, sporting themselves in their own deceit feasting with you;*
14. *Having eyes full of adultery, and unceasing from sin; enticing unstable souls: having a heart exercised in coveting; children of a curse:*
15. *Having forsaken the straight way, and are gone astray, they wander and follow the way of Balaam the son of Bosor who loves the wage of injustice;*
16. *But was rebuked for his lawbreaking: the mute donkey speaking with man's voice restrained the folly of the prophet.*
17. *These are springs without water, clouds being driven by storm; for whom was kept gloom of darkness.*
18. *For speaking pompous words of vanity, they entice with lusts of the flesh and wantonness, those few fleeing*

from those living in error.

19. *Promising liberty to them, themselves being slaves of corruption: for by what anyone is overcome, by that also he is enslaved.*
20. *For if being escaped from the defilements of the system through the knowledge of the Lord and Saviour Jesus Christ, but being entangled in them again, and being overcome, the latter state is worse to them than the first.*
21. *For it was better for them not to have known the way of righteousness, than knowing it and being delivered [freed], then to be turned from the holy commandment.*
22. *But the true word of the proverb was happening to them: The dog returns to his own vomit; and sow being washed [returns] to her wallowing in the mire.*

God's judgment is not waiting. We are seeing his judgement right now. Americans are reaping what they have been sowing.

7. *Be not deceived; God is not mocked: for whatsoever a man might sow, that also shall he reap.*
8. *For the one sowing to his flesh shall of the flesh reap corruption; but he that sows to the spirit shall of the spirit reap eonian life.*

Galatians 6:7-8

AMERICA IN DECLINE

America is without God's protection. She is going crazy. She is losing friends and is hated by most of the nations of the world. The fertility rate of white Americans is so low we cannot even maintain our population. Infertility is a judgment against us for forgetting God. Other races who have never known God will outnumber whites in America in a few years. We are inheriting their plagues.

The intelligence quotient of Americans is at an all time low. Industry and production has bottomed out and most things are being produced in Asia and imported to America. The US Government is in debt to eastern nations by several trillion dollars. Meanwhile, the US Government continues fomenting constant war with many nations and is pushing for more and bigger wars while spending trillions more dollars to fund the wars. 98% of the wealth in America is in the hands of an elite 20% of the people. Thus, 80% of Americans live on 2% of the wealth of the nation. Diseases and drugs are a several trillion dollar industry in America. And belief in Jesus is at an all-time low.

I've just named a few of the obvious problems upon this land today. Is it any wonder that people, especially young people, in America have lost hope for their future?

If we stand back from the trees to see the forest, we should be able to see what is happening. The Bible tells us exactly how this happens.

Please read Deuteronomy 28. It explains exactly what we are seeing in America today. In essence, it says that if

we listen and obey God He will prosper us and bless us. But if we will not listen to Him and ignore Him we will be plagued with curses – diseases and spiritual blindness. Families will break up. Other nations will despise us. Our farms will not produce. Also we shall acquire enemies who will overcome us. The strangers among us will get high above us and we will go very low under them. They shall lend to us, and we shall not lend to them. They will be the head, and we will be the tail.

Read the chapter for yourself. There could not be a more accurate description of what is happening to America. It is all the result of our people ignoring and forgetting about God. None of these things could be happening to Americans if they hadn't ignored and forgotten God.

CURRENT JUDGEMENT

America is failing in almost every way. All these failings, in one way or another, are the result of the people rebelling against God and his Christ. There are many factors that could be listed. But all things, all failings, hail back to the simple fact that Americans have abandoned their God.

Moses wisely described God's judgement this way:

15. *See, I have set before you this day life and good, and death and evil;*
16. *In that I command you this day to love Yahweh your God, to walk in his ways, and to keep his commandments and his statutes and his judgments, that you may live and multiply: and Yahweh your God shall bless you in the land where you go to possess it.*
17. *But if your heart turns away, so that you will not hear, but shall be drawn away, and worship other gods [other systems], and serve them;*
18. *I denounce to you this day, that you shall surely perish, and that you shall not prolong your days upon the land, where you pass over Jordan to go to possess it.*
19. *I call heaven and earth to record this day against you, that I have set before you life and death, blessing and cursing: therefore choose life, that both you and your seed may live:*
20. *That you may love Yahweh your God, and that you may obey his voice, and that you may cleave to Him: for He is your life, and the length of your days: that you may dwell in the land which Yahweh swore to your fathers, to Abraham, to Isaac, and to Jacob, to give them.*

Deuteronomy 30:15-20

Judgement from God is not waiting for a so-called "Great Last Day." Rather, it is ongoing and inescapable. It is, and has been, active in Israel (us) every day of our lives. Churches blame bad things on their silly invented "Satan," leaving their people with the idea that God either can't, or doesn't want to, interfere with "Satan's" evil machinations against us. They are being fed heathen doctrine – lies

spewed from the misled pulpits of American churches.

Brainwashed churchgoers think that God is incapable, or adverse to, judging his people and managing them day to day. They think that God is being thwarted by another god – one they call "Satan."

Oh yes, they have invented several confusing explanations they attribute to God as to how and why they think He has abandoned us. But it is all nonsense.

The simple fact is that God allows us to choose to either love Him or despise Him. Most people today despise Him, and that is why the world is in the mess that we see. It is not the work of some evil angel. It is the work of God's current and ongoing judgment upon his people.

God has offered us love, truth, and blessings. It is up to us to receive his gifts, or reject them. If we receive them we will be blessed. If we reject his gifts, our lives are cursed. That is plain and simple logic. That is the message repeated over and over in the Bible. Anyone who teaches anything different is a false prophet and you should avoid them. Don't listen to them. They are the blind leading the blind, and both are now falling into the ditch of depravity in America.

THE REMNANT

32. *Be not afraid, little flock; for your Father is pleased to give you the Kingship.*

Luke 12:32

While the system around us is in turmoil [stormy raging waves] and those folks who are blindly following the system are lost at sea, we [the remnant] can have eyes that see and ears that hear. In other words, we can remain sane and exist on that "sea of glass" [calm water] symbolized in Revelation 15:2. But it is essential that we do not let the agents of the Beast System convince us that they are anything but criminals running a criminal system. We belong to Christ's Kingship, not to the Beast System.

From where we stand we can see clearly that things are a mess out there in the world. People in general have their minds corrupted by the Beast System that surrounds them. Their minds are confused and they cannot make sense of what is happening.

We, on the other hand, are separate. It is hurtful to watch people around us sacrifice themselves to the Beast System. But when people lose interest in God's truths we cannot communicate with them. Nonetheless, Jesus brings his remnant together as He inspires us to contact one another by phone, mail, email, or otherwise. We can grow and strengthen our walk in Christ by sticking together and becoming friends in Christ. **We are the remnant.** We see God's judgment working around us upon the blind followers of the Beast System. But we of the remnant, although scattered physically, spiritually we are together as family. **Love is the bond that holds us together.**

Remember, I am here for you. ACM is dedicated to building our ecclesian family, and together we can be strong and sane. As God's judgement is upon this system around us, his blessings are upon us.

Ben Williams
